It's all over, folks!

We got underway in late January – and 40 games later – we now have our Champion, Chris Trimmer!

Aran Warszawski sprinted out to what seemed an unstoppable lead almost as soon as the championship match began. But in the final 4/2, 2/1, and 5/3 spaces, he paused just long enough to cycle thieves through the jail and for Chris Trimmer to catch up and go two spaces beyond Aran's finish for the win. In a pattern reminiscent of last year, Chris qualified for the final with the best second place in the semi-finals (edging out sixth place, Bob Hamel). Earlier Chris qualified for the semi-finals on the strength of four second place finishes in the preliminaries. That's close enough for hand grenades, horseshoes, nuclear war, and Adel Verpflichtet! Trailing just behind, but not able to overcome Aran's lead, were Haakon Monsen, Greg Thatcher, and Derek Landel.

All the details are available on the website: www.gameaholics.com/adv_tournament.htm

Congratulations to all of our finalists. Thank you all for playing. We'll kick off again this coming January!
