Greg Crowe, Exhibitor Extreme:

The preliminary rounds of the Adel Verpfichtet/By Hook or By Crook/Hoity Toity tournament have finally concluded -- and results are posted at: http://www.gameaholics.com/adv_tournament.htm

The pairings for the semi-finals have also been posted, the games created, and the passwords emailed to the participants. Good luck to each!

In the end, it took 17 points and 14 spaces to qualify for the semi-finals. Congratulations to the 10 who accomplished this feat or better! Allan Jiang was the top dog with 23 points! Sharee Pack earned 19 points while finishing with a set in just one game -- and that set had only 3 cards. On the other hand, Chris Trimmer collected 53 cards in his final sets while Jacob Griffith amassed an extraordinary 21 spaces passed the line.

Slow players were warned a record 26 times. Two players were asked not to return next year. An extra "thank you" goes to all the speedy players!
