John Pack, Art Exhibitor and Burglar:

The pairings are here for the 2021 Adel Verpflichtet/By Hook or by Crook/Hoity Toity PBEM tournament! All the memberships are finally confirmed. Use the find function (Ctrl-F) to locate all five of your games.

The pairings are also on the website (gameaholics.com/adv_tournament.htm). Note that the links there will not work until the games have been created and linked.

To create your game:

1. Go to "Games List" and then "Passworded Games" and then "Hoity Toity" to see if the game already exists. If so, join it. If not then:
2. Click "Create Game" and then "Hoity Toity." Enter the game name

"ADV21-x", a comment (including player names, e.g., "J Pack T DeMarco"), a password you chose (case-sensitive), and deselect the 3- and 6-player options. Do not manually start the game (it begins automatically when the fifth player joins)

3. Send the GM and other players the password (using the game name as the subject line).

Please create/join all of your games by Saturday.

Special thanks go to Chris Wildes, Jay Spencer, and Robert Flowers -- an awesome trio of GMs who assisted me in creating a new pairing paradigm. Note that we have NO four-player games, and everyone gets to play 20 different opponents!

Have a great tournament, John!

John
